

Exploring Innovative Language Pedagogy

Davis Language Center, UC Davis
National Institute of Technology, Patna, India

May 17-18, 2024
53A Olson, Davis Language Center
University of California, Davis

Deadline for Abstracts: March 1, 2024

Notification of Acceptance: March 15, 2024

Registration is FREE.

Papers can be virtual or in-person.

The international conference on *Exploring Innovative Language Pedagogy* aims to explore the cutting-edge approaches, methodologies, and practices in language education. We welcome proposals across a wide range of themes and topics related to innovative language pedagogy, including but not limited to: Language teaching in rural areas, task-based and project-based learning, integration of technology and digital resources, multimodal learning strategies, learner-centred approaches that promote autonomy and motivation, virtual and augmented reality applications, gamification and game-based learning, indigenous/regional language teaching.

Submission Guidelines:

- Abstracts should be 500 words.
- The submission must not reveal the identity of the author(s) in any way.
- Abstracts should be submitted to <https://ucdlc.ucdavis.edu/events/proposal-call-exploring-innovative-language-pedagogy>
